

# INSTALLATION STEPS

Please take the following steps to setup the backdrop:

1. Apply the clips evenly onto the top crossbar of the Pipe-and-Drape System. Make sure the Velcro surface of the clip is facing front.

2. Setup the backdrop;

- 1) Apply the backdrop's top edge with loop side Velcro onto the Velcro surface of the clips that have been applied on the crossbar of Pipe-and-Drape System in step 1.
- 2) Use the tie-ups to tie the grommets on lower left corner and lower right corner to the pipes.
